Men like all sorts of stuff. Here at **SOHO**, we split into several distinct camps – boob men, arse men, fanny men, suckers for the cascade of hair or the nape of the neck. Sometimes we change our affiliations, but most of the time we just like the whole damn thing. That's why we do this magazine. This month, however, we like arses best. Mostly, this is because of Tanya, above. We get to see a lot of ass every day – most of it good, some of it beautiful,

some of it sublime. But rarely do we come across arses as good as Tanya's. You can't see it in that picture of her above, you're going to have to turn to page 16 for your first glimpse, but believe me it's hot. We even contemplated just doing an entire issue full of Tanya's rear cheeks and nothing else.

We revel in ass joy because we can. A few years ago we weren't allowed to due to various arcane laws that means we had to airbrush out even the slightest hint of

puckered bum-eye. Once they changed that the flood-gates opened and it's been anal all the way since.

Anyway, history lesson aside, the real reason for this editorial is to issue a challenge to the girls of the world to try and better Tanya's ass and an invitation for Tanya to drop by the office anytime to sit on our faces for hours at a time. **SOHO** – it's so damn good we even wank over it ourselves.

RESPONSE

Dear SOHO,

My name is Amanda. I'm 25 and work as a ticket inspector for one of the national train companies. I travel the length and breadth of the country day after day and the most exciting thing that ever happens is that just occasionally I manage to get eye contact with a good-looking guy. Well, that was true until one day last month. It was a Sunday night and I was heading back to London. The train was absolutely packed, except for First Class which remained barely occupied.

Just past Bedford I made another walk through the First Class section of the train. Right at the very back of the carriage was a chap on his own. He wasn't bad looking and had been on the train since it left Nottingham. I made eye contact with him and when I got to his chair I stopped and we chatted for a few minutes. He was working in London during the week and I had a few days off, so we agreed to meet for a drink and swapped phone numbers.

I carried on with my job, but couldn't keep my mind off him. I was feeling really horny about the idea of meeting him later that week and letting him fuck me senseless. The more I thought about him the wetter I got. Eventually, I managed to get myself back down the end of his train. As I approached, we got eye contact again and he smiled at me. As I passed his chair, I took a deep breath and whispered quietly "Follow me, I've got something for you."

I walked out of the carriage and heard him get up to follow me. I punched the button on the toilet door and stepped inside. He followed me in and hit the button to shut the door behind us. I turned around, kissed him squarely on the lips and let my tongue probe into his mouth. He unbuttoned my jacket and blouse and fondled my tits through my bra before unbuttoning the clasp and letting my 36D breasts fall free.

I sat down on the toilet so I was level with his belt and slowly unbuttoned his jeans. I slipped them and his boxer shorts down around his ankles and his 6 inches of cock sprang erect in front of me. I took it in my hand and gently rubbed his shaft whilst kissing and licking his bell-end. I wrapped my lips around his helmet and sank slowly down onto him until I could feel him edging down my throat. As I rose back up his knob, I left a thick ring of bright red lipstick around the

base of his manhood. I cupped his balls in my spare hand and gently squeezed them as I slowly sucked his throbbing cock. He moaned with pleasure every time I sank his meat into the back of my throat.

I could already taste his salty pre-come as it started to leak from his helmet and knew it wouldn't be long before he squirted his hot cream into my belly. His legs started to shake and his cock got even bigger and harder. Just as I readied myself to receive his load he whipped his cock out of my grasp and slapped it between my ample tits. I squeezed them together around his cock and he thrust several times, then grunted, moaned and shot a huge wad of hot jism all over my mouth and chin. Streams of come exploded from his cock, splattered against my cheek and flew into my hair. As the final drop dribbled from his bell-end, I leaned down over him and licked his cock clean. I did my best to clean myself up before getting dressed and returning to work.

As we got back to his seat I asked him if he fancied coming back to my place and he agreed. I continued my walk through the train and could feel my blouse sticking to the patches of come still drying on my tits. It was pretty uncomfortable but I got off on how dirty I felt. I was soon off duty so we hopped off at my stop, both of us pawing each other because we couldn't wait for part two.

★ STAR LETTER

A few years ago my wife and I hit a bit of an impasse in our sex life. We'd been hitched for about 4 years and, despite still fancying the arse off each other, we'd got down to sex about once a week – not enough, as I'm sure you pussyhounds will agree. She spoke to some of her mates about it and they recommended spicing it up with a bit of play-acting and dressing up. So she did. It worked fucking wonders, I tell you. At first she just splashed out on some sexy underwear and acted a bit sultry – I certainly sat up and took notice. Once we'd got into it over a few weeks, however, we started to try different things. She's started to hire clothes from a fancy dress shop – nurses, policewomen, soldiers, the lot – and now goes the whole hog. I have to pretend to be a patient or something and it goes from there. Sometimes she draws the fantasy out for hours until we're just dying to rip each other's clothes off and bang like a shithouse door in the wind. We got a few more ideas from your article about uniforms (my fave is still the nurse, incidentally) and we'll put them to the test over the next few weeks. We now have sex more than we did when we first met, so I'd definitely recommend uniforms and dressing up to any of your readers having a few problems in the sack. We haven't looked back.

Joe, Fulham

My place is just a short tube ride from the station and we were back in my flat, naked in no time. We weren't saying much to each other, just anticipating the fuck-fest ahead. I lay on the sofa and offered him my sopping fanny. He parted my legs and nudged his member into my thick blonde mound. After teasing me briefly, his knob slid easily in – no surprise there as I was soaking wet. He drove his manhood into my cunt, thrusting into me as far as he could. He'd tease me by withdrawing it almost all the way and then just leaving the head of his cock between my pussy lips, making me beg for all of his cock. Then he'd bury it up to the hilt again, the strength of the thrust making me gasp with pleasure. I frigged myself off frantically with

my finger as an orgasm swept through me, making me shriek with desire and whorish pleasure. Then he pulled his throbbing length from me and turned me over. I love a good shag doggy-style so eagerly rolled over and awaited his cock. He surprised me by thrusting two, then three fingers into my pussy until they were coated in my love juice and then eased one, then two fingers up my arse. I flinched and clenched my muscles around his fingers.

I was still an anal virgin – would you believe I've never gone out with a guy who wanted to do it – and was very nervous about his thick six inch cock breaking my duck. Yet I was also desperate to feel the sensation of being fucked up the arse for the first time by someone who clearly liked the feel

of my tight bumhole. Slowly, I relaxed my sphincter and I could feel myself loosening up nicely. Then he edged his helmet against my bum crack and nudged slowly into me. He took it slowly and gently, waiting for me to relax, then all of a sudden his helmet disappeared in past my sphincter and was soon followed by his whole length. I squealed with delight as he filled my bum completely with his cock. I was too full to move for a minute and I just savoured the sensation of having my tightest hole filled. Once I felt ready I bucked back against him as he thrust slowly but steadily into me. His balls slapped rudely against my arse cheeks as he built up a rhythm.

He popped his thumb back into my empty twat and used a spare

finger to tickle my button. Another orgasm welled inside me, making me cry out with a filthy pleasure I had never before experienced. Then my groans mixed with his and I felt his shaft grow even bigger inside my arse, then with one last thrust he pumped what felt like a pint of jizz into my arse. I collapsed in a heap on the sofa with him lying next to me. I could feel his come running down between my cheeks. I grabbed his soft cock and licked the last drops of come from his cock-head, tasting myself on him. I felt exhausted, but after a short breather we fucked throughout the night before I finally let him get a couple of hours sleep before sending him off to work. I think he might be getting on my train again soon!

DARK CRYSTAL

I've always thought there weren't enough black or Asian girls in porn mags, so I'm glad you did that "Destiny's Wild" photoshoot in Issue 17. If only you could get the real Destiny's Child to pose for you I'm sure you'd sell millions of copies. And I'd have millions of wanks. I've always had a thing for dark-skinned girls since I lost my virginity to one when I was 17. She did things to me I didn't think girls were supposed to know about back in the 70's and ever since then I've always gravitated towards them. I'll certainly be searching out for some of those films with Crystal and the girls from SOHO in.

PAIGE TURNER

If Paige likes to fantasise about fucking guys in hotels, she should come to one of the tedious conferences I have to attend all the time. I could do with some distraction from the flowcharts, role-playing and 'hillarious' guest speakers. I spend most of my time doodling and thinking about getting up somebody like Paige. Petey, Bath

PAINT YOUR WAGON

Cheers for getting the lovely Laura in your mag at last. I often crank one off over her on The Adult Channel when the missus has gone to bed. Nice to see her in a bit of a messy state as well. I've got something I wouldn't mind chucking over her. Rich, Bromfield

MICHELLE MY BELLE

I've never been sure what all the fuss was about with cheerleaders – far too American for my tastes – and even seeing superhot Michelle Thorne in that get-up hasn't changed my mind. But if there's a hotter girl in any porn mag this year I'll eat my own cock. Her tits are a bit silly but it's that 'fuck me' face. Belting. Big Gord, Chichester

DARKNESS

Vicky

Vicky's fantasy: "I'd like to be tied up by two men, one would be a close friend but the other would be a stranger. As they tie me they talk to me, telling me what to do - but I'm not allowed to answer back. They can do what they please to me, I am completely at their mercy, tied, blindfolded, not knowing who is doing what. They start with oral sex, one licking my pussy while the other fucks my mouth. One then starts vaginal sex while the other is still in my mouth. They then swap around, one lying beneath me and he is in my pussy, the other climbs on top of me and enters me, slowly, gently into my ass. They start slowly but the tempo builds. I can feel them, smell them, hear them, they fuck me till we all come at the same time. By the time the blindfold is removed only my friend remains. The stranger has left and I will never know who has done what to me."

ass king Tara

Got a problem? Want to know which hole the square-shaped peg goes in? TV glamour puss and all round mega-babe Tara King is on hand to answer your questions every month. Just write to Tara King, **SOHO Magazine**, 2 Archer Street, London, W1D 7AW or e-mail her at soho@pr-org.co.uk and Tara will put you straight...

DEAR TARA

My boyfriend sucks in bed. All he ever wants me to do is ride him. I don't mind that but not every time we have sex. He makes absolutely no effort to even know what I want, let alone do it. I'm convinced all he really needs is a rubber doll or even a tomato 'cause I really believe all he needs is a hole, any hole. It's getting to the point where I just want to finish with him or get laid by someone else, someone that's even half-competent in the sack. I'm beginning to resent him for our shitty sex life. Sorry if I'm sounding a bit negative but I'm just f-u-s-s-e-d. Please help.
Louise - Cardiff

Dear Louise

You are kidding. What a fucker. You know it makes sense to ditch him. How long has this kind of sick behaviour been going on for? What is it with some guys, they think they can just get into bed get their rocks off and not give a shit about the girl. All those kind of men should be rounded up and shipped off to Nova Scotia so they can live in regret for the rest of their days and ponder on what a shit lay they really were.

DEAR TARA

The other day it was my birthday and my boyfriend had spent the day preparing me an amazing dinner with candles and flowers. He had to go down the shops to get an ingredient that he had forgotten. The shops are quite far as we live in the countryside. Anyway, while he was gone his best friend popped round to wish me Happy Birthday and bought a bottle of champagne. We opened it and started having a laugh and a chat. He's also a good friend of mine and he often hangs out with us. Anyway, things got a bit heated and we started having dirty sex on the dining room table that my boyfriend had laid out. He left and my boyfriend returned and we had a wonderful dinner and then went upstairs and spent the night making love. I feel so guilty and want to tell him as I don't ever think I can live it down. What should I do?
Gemma - Dublin

Dear Gemma

You total slut. I could understand if your boyfriend was a complete arsehole, but on this particular occasion he had spent the whole day preparing something real special

for you and only thinking about how he could make you feel like a princess. His best friend as well, so far you're not in my good books so I doubt you'll ever be in his. It's a tough call as to whether you should tell him 'cause if you really don't want to lose him then you're running a big risk. My advice to you is stay away from his best friends and the champagne. Good luck!

DEAR TARA

I have a bit of an embarrassing problem, my hair is quite sparse down below and I find it really embarrassing to take a girl to bed in case she finds it weird and leaves. I've got to admit it does look a bit weird when I look in the mirror, it's as if something's missing. Am I being too paranoid?
Johnny - Manchester

Dear Johnny

Hmm, a bald lunchbox!!!! Well, I don't think that's so bad. I can't picture it without seeing it really (no, that's not an invite). I don't think it would be put me off, as long as your dick is so long you have to tuck it in your sock then I think that will more than make up for the loss of pubes! Just kidding. As a woman I'd be more concerned with a lack of talent in the sack than a lack of hair. But if you really feel that strongly about it just pop into your local department store and purchase a toupee!

DEAR TARA

I'm 20 and have met this really amazing woman, she's 10 years older and is a model and sexy as hell. I can't believe my luck really. Anyway, the other night we started to get our groove on and she was giving me oral sex - which by the way was fucking unbelievable - and she wanted me to go down on her. So reluctantly I did for about 2 minutes and I came back up because the truth is the thought of giving a woman oral sex really turns me off. I don't know why but it's just something that I don't want to do. Will I ever grow to like it? Please, please help, as I fear I may lose the most amazing woman of my life.
James - Kent

Dear James

Fool. What the hell do you mean you don't like pleasuring a woman orally are you insane? Let me tell you something, you don't know what you're missing, all that sweet nectar in your mouth and on your

face. Just pretend it's like fried chicken or whatever your favourite food is and get down to work 'cause I'll tell you something now, you're gonna lose that babe in 10 seconds flat, if not sooner. The first thing I do when I'm gonna be with a guy is make sure he likes his pussy pie 'cause if not he won't even get a look in. But when you do it the key is you gotta look like you're loving it more than life itself and that will drive her crazy. She'll be yours for keeps then. So get to work.

DEAR TARA

I've been married to my husband for a few years now and I love him dearly, but the other day I found a porno mag in one of his drawers. I've been completely distraught ever since. It's left me feeling totally inadequate. I feel like he's been cheating on me. The thought of him looking at those women just really hurts. Can you tell me something to make me feel better?
Jo - Leicester

Dear Jo

You poor thing. I'm sorry you feel so bad, but trust me it's not the end of the world. This is perfectly normal behaviour for a man. The problem is that he's hidden it in his drawer because he obviously ~~thinks~~ he can't confide in you in case you get angry. And rightly so because you obviously have a hang-up about naked women. Instead of cutting yourself off from it, you should be a part of it. You should look at the magazines together. I think you will find that this will arouse the both of you, especially him if he sees you're getting turned on by it. You'll be surprised at the feelings you

will get by doing this. Another thing I think couples should do is go to strip clubs together occasionally and get a dance for each other. I also think this is a smart thing to do because your man will never stray, I mean, he'd have absolutely no reason to would he? I think he'd probably appreciate it if you were a little more open with your sexuality. Just try it and if you don't like it at least you can say you've tried. But I really don't think your husband has done anything wrong.

DEAR TARA

I feel that I will be a virgin all my life, the reason being is I have a very small penis. I mean really small. I would never dare pick up a girl and take her home or strike up any kind of relationship with a girl. I'm going out of my mind with despair and don't think I can possibly live the rest of my life like this. I'm only 27. Is there anything I can do, as I don't know where to even start?
Bryon - Leeds

Dear Bryon

What you need to do is get professional medical advice. Book yourself an appointment at a GUM (genito-urinary medicine) clinic. Your local hospital or GP should have the number. Don't be embarrassed when you go there as they specialise in this sort of thing and, trust me, I'm sure you're not the first and you certainly won't be the last. These are professionals who will give you the best advice and help you through this problem. You don't need to suffer alone in this as there's a problem there's always an answer. I wish you the best.

SKATE chicks

STYLING: ADRIAN SIMON

Natasha and Jeanette don't actually go skating that often, if in fact ever, but these models will do anything for a bit of cash, even if it leaves them with sore knees, eyes, that as well. After getting them to risk life and limb on Brighton's promenade we got them into the more familiar territory of kit-off land. "Skating was OK," said Natasha, her face full of minge, "but I prefer licking pussy to be brutally honest. Can't we just do this next time we do a shoot?" Do you really have to ask?

the business

Sylvia Kristel

WORDS ALLAN BRYCE

Emmanuelle. The mere mention of the name conjures exotic images of beautiful women toiling by swimming pools exploring the pleasures of their own bodies. Back in the days when monogamy was nothing more than a mispronounced board game, the sexy heroine was the epitome of liberated womanhood; a gal who spoke eighteen languages and couldn't say no in any of them.

The screen's first and best Emmanuelle was Sylvia Kristel, a lanky Dutch actress who got the part because she forgot her glasses when she went to audition for a soap commercial. Blind as a bat she wandered into the wrong "cattle call" and found herself up for the role of the free-loving heroine. It was an opportune wrong turning that was to make her into an international star. Now a remarkably well-preserved 49-year-old, Sylvia says the success of the film opened a lot of doors for her, but she was not ready for the sudden fame. "It was all too much for me," she sighs. "I drank too much champagne, and took so much cocaine that I was frightened my nose would fall off. I thought I was entitled to misbehave. I was so star-struck and flabbergasted by events that I couldn't think straight."

The original Emmanuelle movie stole slinkily onto our cinema screens in 1974 and set the pattern for what (and who) was to come. The heroine was the bored bride of a French Embassy official who discovered that a trip to Bangkok was all that was needed to liberate her lusty libido. Not that it needed much liberating, mind you, before the credits had rolled she was getting initiated into the mile-high club in the toilet of a Boeing 747, and from there it was but a short step to troicism, lesbianism, and a lot of other "isms" best performed in the privacy of one's own home. The movie caused a sensation. Based on a scandalous novel by Emmanuelle Arsan, a high society raver who had screwed more rich men than the inland revenue, the film survived a near-ban by Pompidou and went on to become France's all-time number one box office hit. This encouraged Columbia Pictures to pick it up for distribution in America – the first X-rated release this major studio had ever handled. They were rewarded with record takings.

The film's appeal was not too hard to fathom. It scored big because it traded in upmarket sex. The glamour of the experience appealed to women, as did Emmanuelle's emancipated lifestyle, and the male audience

had their tongues hanging out over the variety of tasty females on display in various states of undress. This was very definitely a movie for both sexes.

Another problem that 'Emmanuelle' stardom brought for Sylvia was having to continually explain to disappointed journalists and fans that she wasn't the same as the nymphomaniac character she played so well on screen. "It made me a star, and of course I am thankful for that," she says with a wry grin. "But I quickly got fed up with being linked with Emmanuelle offscreen as well. Of course I'm not like Emmanuelle! John Wayne was never accused of killing people in his free time, so why should I be forever stuck with this image of a free-loving woman?"

In reality Sylvia insists she's "boring and

Under the new law this meant that it could only be shown in certain cinemas and was not allowed to be advertised. It would also have to pay 30 percent of its profits in tax. In the end, the producer would not allow it, so French audiences were denied the pleasure of seeing the film."

The actress made two more 'Emmanuelle' movies before temporarily bidding farewell to the series, but she continued to display her tempting wares in other classy softcore flicks like 'Private Lessons', 'The Streetwalker' and 'Lady Chatterley's Lover'. Then, in 1984 she promised her nine-year-old son, Arthur, that her nude acting days were over. "He saw my first 'Emmanuelle' on cable TV and he was so embarrassed about what his friends would say that he asked me, Mum, couldn't you keep your knickers on?"

She certainly tried. In 1986 she married French filmmaker Philippe Blot after ending a long-term relationship with 'Lovejoy' actor Ian McShane. Blot starred her (fully clothed) in his own movie, 'In The Shadow Of The Sandcastle', but it flopped disastrously at the box office, losing them over a million dollars of their own money. The couple later split up and she reluctantly returned to acting as a fully clothed hostess in three made-for-cable 'Emmanuelle' movies which she candidly admits she did solely for the money. "The 'Emmanuelle' cable movies are not very sexy," she says.

"But what else would you expect when these films were made for television?"

Sylvia's roles have got smaller and shorter in the past few years. Although she was given top billing in 'Beauty School' (her last film to date), most of the film's running time concerns a large group of models-to-be. In the mid-90s she had a supporting role in a Danish soap opera titled 'Onderweg Naar Morgen'. It would certainly be nice to see Sylvia in a role of substance, playing a woman of maturity in a lush period piece.

Not surprisingly she heartily concurs, and says she would even agree (albeit reluctantly) to break the promise she made to her schoolboy son and give the public what they have been missing by snipping off in a brand new production. "I have been giving it a lot of thought lately," she says. "You know, I was only 21 when the first 'Emmanuelle' was made in 1973. Now I'm 49 – and I would like to show my fans how the girl has become a woman!" We can't wait! 'Emmanuelle' Volumes 1-4 are now available on DVD from Momentum.

monogamous" and prefers a good book to a good bonk. She also has a fluent command of six languages and an IQ that would gain her instant admittance to MENSA – with or without clothes. She does, however, freely admit to being surprised at the movie's impact. "I thought when I was making it that nobody would ever go and see it – that it would stay in the closet. The main reason I agreed to do it in the first place was that I thought it would give me a nice holiday in Thailand. But it's now been seen by over 300 million people. I look at it today and can see that it's a classic, it's beautiful. Sometimes you don't know these things at the time."

'Emmanuelle 2' brought Sylvia back to the screen for more softcore sex amid beautiful tropical locations, this time Hong Kong and Bali. It was a lot less revealing than the first film, but that didn't stop it from being banned in France: "I think the first one got through because Giscard's administration was anxious to show how liberal it was," smiles Sylvia. "But the Minister of Culture decided that the second one had pornographic inten-

I love to masturbate. I know it's no surprise, after all, who doesn't? But I live in a flat with three other girls, and I don't get that much privacy. I can always go to my room if I'm feeling horny, but if other people are in it's not the same. We're all students, so my best wanks are when I know they're all at lectures. I can go down in the lounge and put a porn film on. I used to just like lesbian scenes (even though I'm definitely not lesbian) but now I prefer stuff with guys fucking girls. I've got a healthy sex life and an on/off boyfriend, but it doesn't seem to affect how much I want to masturbate.

If no one else is at home I'll get set up in the lounge with one of my films (I've only got three, but they're pretty good) and rub my pussy through my jeans first to get myself wet. When I'm ready I'll strip off and can't wait to get my fingers inside myself. My clit isn't that sensitive so I largely get off on fingering my pussy. I wait for the girl to start sucking a cock on screen and then I really go crazy. I just hope none of my friends ever walk in on me.

Menage à twat

Monday morning 11.05am. Awake only in the fact that I am standing up...

So what are you gonna do? In my eyes, Miss Puerto Rico and Miss Sweden are writhing on a bed no more than a metre from my prying Panavision lens. Light from the dying summer sun cascades through the skylight bathing the lovers in shards of tangerine. They are shameless in their inebriation but aimless in their coalition and here's why. Something's missing. Something so great, so big, neither dildo nor vegetable will suffice. "Inga, when will Adrian be back? I missss himmm! So do I Roberta. As much as I like the way you lick my wet pussy really hard 'n' that, I need filling up now. Oh, here he comes Adrian, fuck us both Adrian, fuck us both now We can't wait any

this most certainly wasn't and then the ultimate humiliation

Lovely Laura - a.k.a Miss Sweden - had rolled over. "What the fuck? That's disgusting" The wet patch where I'd banged one off the night before had had the audacity to become a dry patch. It was time for the great leveller and I knew exactly where he lived.

Fuck the power of love, fuck even the power of lust. If you ain't had the first of the day you're worth nothing in this game. Let's weigh it up shall we? Ingredients are: A miserably grey morning in Chelsea, a blonde, a brunette and a photographer who was up half the night decorating his khazi with a barely

"Squelch" and my perfect fantasy was over "She just done a fanny fart in my face and it's not funny Adrian" To give me my due I wasn't laughing at Siobhan's misfortune but the fact that, in my haste to escape the real world, I

I don't consider myself an alcoholic but there is no denying that the potato based spirk in an orange format will, if not cure all ills, then certainly be a good placebo for a well balanced life Yes brethren, I am talking about the power of vodka. Not to be underestimated you understand, for a model who has partaken of the Russian elixir is no longer a model but a

vessel for all that is impure and depraved. Not fail-safe of course but you show me a sure thing in this world and I'll show you the man that's formed a limited company around it.

Monday afternoon, 2.35pm - Dome café, Kings Road. Fully awake in body and spirit!

Miss Sweden is taking off her knickers in a crowded bar. I, as her employer and ultimately her protector am encouraging her to the full. In fact I am insisting. The applause is ringing out and I sit back

satisfied that I have fulfilled my requirements for the day. The video shoot, done and dusted an hour ago, a distant memory and paling into insignificance as the Absolut absolutely creates my brand new fantasy. The buxom Roberta, her of the Puerto Rican eyes and Australian lies has surfaced from the underground shitter. The partially digested remains of her Caesar Salad delicately dropping from the plinth I described an hour ago as her magnificent heaving breasts

A while ago I seem to remember there was a really fucking fit piece of European fluff signed to Vivid by the name of Veronica. A right tasty piece she was. But I can't find any films with her in them. Do you know who I'm talking about whether she is still signed to the company and whether she is still making scruffy videos? Juan Sebastian Veron-Knickers - hleworth

I do know who you're talking about, because she once proposed marriage to me – FACT! On reflection I should have taken her up on it. Veronica came I believe from Hungary and signed to Vwd in 1999 lasting less than a year and not making a fuck of a lot of films. But she was, as you note, a right tasty piece. Films-wise, you can find her in 'Euro Slit' (great name), 'Hungry Man', 'Roommates', 'Seven Deadly Sins', and 'Tight Shots – The Movie', which is my personal recommendation because it has Halli Aston and Inari Vachs in it and, if memory serves Veronica does them both.

1, and many of my friends like to watch women with big round bubble-arses getting done in the shower That's just what we like and we do not apologise for it In particular, we have found that we like watching the 'Buttwoman' series of films from Elegant Angel - in fact, when Tiffany Mynx was Buttwoman I watched pretty much nothing else and we were quite keen on Charlene Aspen as well There doesn't seem to have been any for a while though Do you happen to know if the series is still going, and who is in the hot seat, as it were? *Buttman - Lincoln*

Not THE Buttman, surely? If you are you stay away from me with your germs. Actually, your letter couldn't have come at a more opportune time, mere weeks after the announcement of the new Buttwoman! What are the chances? She is Belladonna, and quite frankly I think the good people of Elegant Angel have made a bit of a dodgy decision. She's okay and everything, but with the horrendous gappy teeth and that ridiculous tattoo (see picture) there are surely some better anal-taking cunts out there who could have filled the position. Give it to Inari Vachs, for example. Remember you're following in the footsteps of La Mynx, one of the greatest pornies who ever walked the earth.

Who is this Dirty Anal Kelly bird who keeps showing up in Rocco Siffredi films? She's English, isn't she? How come we haven't seen more of her over here? Dirty Anal Dave - Ruiship

Aah, Dirty Anal Kelly. The very name is enough to send shivers down the spine of many ~~some~~ staff members, not least Editor Andy, who has seen a great deal of her work and who still hasn't found the words to describe them. Her name is Kelly Stafford and she started out as a decidedly average, middle-level glamour model in the mid-to-late nineties. I remember her cropping up in 'The Sport' a few times, but she didn't exactly set the world alight until she met Rocco. And then she did. Everything the pair has ever done together has been absolute filth. 'When Rocco Meets Kelly' her introduction to the world. Utter filth. Dirty Anal Kelly In Rome, with its mass gang bawkakes and anal spunk scooping. Total filth. Best of all, there's the scene in 'Rocco Animal Trainer' where she and Rocco take Amanda Dawkins and fuck her / fuck with her until she is a gibbering wreck. Strong stuff. Basically, the presence of Dirty Anal Kelly in any scene suggests that it is going to be incredibly rude and nasty. And by Rocco's standards, that's usually something to behold.

What is 'Cream Pie'? Can you explain, please? **Are Curious -**
Leicester

Ha ha, good name Cream Pie is a relatively recent phenomenon in porno and hasn't exactly caught on throughout the industry. In a nutshell, it is porn where the bloke actually ejaculates inside the woman rather than in the mouth or on some part of the anatomy. An extreme close-up shot then confirms the veracity of the spunk. The thinking is that an internal cumshot is what most people deliver when they are having sex and so presenting sex in this way takes the action as close to real sex as possible. I personally prefer it when a bird gulps it all down like tasty pop myself. The pioneer of Cream Pie is definitely Luc Wylder whose 'Internal Affairs' (me for Fallen Angel) is the first line dedicated to the style. You'll also find a lot of cream pies in the work of veteran stud-director Randy West, who produces various bips and bobs for Evil Angel.

Hip or Hype? His Lordship's opinion on... Anna Friel

OK, so she was a series of murderous teenage lezzie snogger Beth in 'Brookside'. She was the best thing about the otherwise risible 'The Tribe' on BBC1, mostly because we all got to see her pert norks and wondrous furburger. But what has Anna Friel done for us lately? 'Mad Cows? SAINTS ALIVE!

Snizz squaw Silvia may be retiring but she was never shy

You all know who Silvia Saint is. Even those of you who have spent the last ten years with your heads in the sand or abiding by various laws in Saudi Arabia will be aware of the work of this bottle blonde with a butt that won't quit. And if, perchance, you don't know who she is, well now she's quit and it's too late. Well, not really, because you can still buy all the films she's been in, her porn mag sets will always float around in shops and on the internet, and now you've got this film from Private, who gave her her first big break.

What is it about Silvia that made her so special? Many porn stars are photogenic, beautiful even, so why is she so different? OK, she might not be the most stunning girl ever to tread the boards of

a shuffle film. And there are certainly girls prepared to do ruder things involving muddy coloured bodily fluids and stoats. But what made Silvia special was the combination of angelic blonde looks with a disarming insouciance about the fact that she had a cock in her anus, one in her pussy and another jammed in her mouth. It's almost as if she never noticed they were there.

After wowing the European scene,

Silvia wisely shifted to the US, cashed in with a big bunch of moderately pleasant but not nearly as rude scenes, and has now announced her dreaded retirement.

Dreaded by us,

that is. We'll miss her, of course, but we'll always have our memories. Oh, and millions more porn stars to tug over. *The Private Life of Silvia Saint* is available from licensed sex shops

PICTURED BOB TWING

BY

What makes you sweat?

Anal sex makes me sweat... a lot. As soon as a guy starts to enter I start to sweat profusely from everywhere. Red cheeks, the works. I like to be taken from behind and held close and tight. I love to feel someone's body heat, feel their sweat trickling down my back. I like it when someone pushes hard into my mouth, holding the back of my head as they push, feeling the sweat pouring down my face. I love to be taken hard and fast... no mercy. The best is when I can hardly breathe and the sweat is dripping off me. But the sweatiest I get is with anal - as soon as I feel them touch my ring and start to press against it I start to sweat. I try to keep in my mind that I can take this... I can take it! And I love when a guy comes in my ass. I love sweating!

"It all became too much for Mike, whose spunk sprayed wildly over his girlfriend's face. She lapped at the spray of come"

and licked his fingers, tasting my juices, before thrusting them into her exposed pussy. Looking behind for my approval, I responded by tweaking my nipple with my left hand as I rubbed my clit in appreciation. Becoming aware of what was happening, Alan removed himself from Debbie's mouth, allowing her to be willingly dragged to the floor by her own boyfriend.

Reaching out for both rigid shafts, she began to wank Mike and Alan off, taking each dick into

her mouth in turn. Both men groped roughly at her tits as they dipped in and out of her welcoming lips. I was now frigging myself with an abandon that I had rarely experienced and was arching my back in pleasure at my own touch. I couldn't stop myself from thinking aloud as I panted "Fuck her, Alan."

Smiling at me as he manoeuvred his way around, Alan then took the backs of Debbie's calves and raised her ass in the air, as she reached down and rammed his cock into her

pussy. Alan began fucking her like a man possessed and Debbie responded by widening her mouth and tossing Mike's cock off over her extended tongue. With Alan almost screaming his pleasure at finally fucking Debbie's body, it all became too much for Mike whose spunk sprayed wildly over his girlfriend's face. As Debbie curled her tongue to lap at the spray of come, Alan had putted out from her cunt and was squirting his wad over her tummy. Witnessing the most excit-

ing thing I had seen, an incredibly powerful orgasm took hold of me and my eyes blurred as I came.

On regaining my composure, I could see an exhausted Debbie glistening from the fresh spunk, grinning in my direction and leaving no doubt that she had got just what she'd wanted. However, perhaps more surprisingly, being able to watch my boyfriend fuck another woman with his friend had left me feeling every bit as satisfied!

Steph, London

Second Helpings

Last Friday night started like most others. I got dolled up, hit the town with my mates and scored. But unlike most Friday nights, I ended up in two men's beds – not just one! For the past three months I've been single and have been enjoying my freedom to the full. Almost every weekend I've copped off with someone and Friday wasn't the first time I'd gone home with Jack. We're on the same course at university and he lives just around the corner from me in a big shared house with five mates. He'd been a great shag the previous two times I'd scored with him and I couldn't wait to get back into his bed.

By the time we left the nightclub where I'd bumped into him, Jack was well pissed. He was slobbering all over me in the taxi, pushing his hands up my short skirt and burying his head in my chest. The taxi driver couldn't keep his eyes on the road for watching in the mirror as Jack fumbled his way into my knickers. I got a real kick out of letting him finger me while we were watched and when we pulled up outside Jack's house I was gagging to be fucked. "Lucky bastard," the driver whispered under his breath as Jack paid him and I tucked my tits back into my tight dress.

We staggered up the stairs and into Jack's room where he pushed me onto the bed. He wasted no time with foreplay, simply whipping out his cock, pulling my knickers aside and ramming it inside me. As I mentioned, I was raring to go and soaking wet but a little bit of teasing would have been nice. Anyway, I put it down to the fact that Jack was drunk and decided to make the best of it, grinding back against his forceful thrusts. I'd never known him fuck like that before. He rammed his cock so far inside me it actually lifted me off the bed. When he withdrew, he almost pulled out of my soppy cunt completely but just as the tip reached my tight entrance he plunged it back inside with such power it made me whimper. His face contorted with pleas-

ure and he groaned loudly as his come-filled balls slapped against my bum cheeks.

I normally like to be the more domineering when it comes to sex but in this case I didn't really have much choice, lying there while Jack basically skewered me to the bed and fucked my brains out. His thick shaft stretched my cunt wide open and each time he thrust it inside me, I wriggled around so his smooth glans rubbed against my G-spot. Jack had now built up a steady rhythm and I could feel his veiny prick throbbing with anticipation inside me. He roughly pulled down my dress to grope my big tits and as his hands began kneading my soft flesh, he started panting excitedly.

I knew Jack well enough to know this meant he was about to come and not wanting to miss out, I desperately scrabbled at my clit to try to bring myself off at the same time. I knew I only had seconds to catch up but it was too late. Jack was so horny he couldn't hold on and with one final firm jerk, he fired his load into my sticky git. My pussy hole grew warm, as streams of spunk were shot inside and Jack's body twitched in satisfaction as he milked every last drop into my cunt. Sometimes I honestly don't mind if I don't come when I'm being fucked, especially if the bloke's done his best and it's just not happening. But on this occasion I was so frustrated I thought I'd burst.

My pussy was throbbing with lust and it didn't help that Jack simply collapsed in a drunken coma as soon as he'd spunked. Determined to bring myself off and finish what I'd started, I tiptoed towards the bathroom. Half way along the dark landing I heard someone moaning gently. Peering through the keyhole of one of the bedrooms I saw Craig, one of Jack's housemates, kneeling on his bed. At first I couldn't make out what he was doing but as I continued to watch I realised Craig had his cock in his hand and was wanking it furiously. I love to see blokes tossing off and couldn't believe my luck. Craig is the best

looking lad in the house and I was pleased to see he had a fantastic cock to match. He was kneeling alongside an open porno magazine and was wanking off at the sight of a busty blonde. My fanny began to squelch with excitement and I felt Jack's come gushing down my thighs. I thrust a hand between my legs and rubbed our combined sex juices into my aching pussy. I was so horny I could have come straight

simply closed the door behind me and smiled. He looked confused as I pushed him back onto the bed and released his stiff cock from his jeans. "Let's not waste that gorgeous hard-on," I whispered in his ear as I climbed on top of his hot body. I felt so wanton, sneaking into a man's bedroom uninvited and taking advantage of his sexual arousal. He must have been baffled as to how I'd got into his house but

lly into my hole and Craig let out a groan as I sank down the length of his pole. Slowly, I began riding his cock, gently leaning back so his shaft ground against my clit. I felt like such a whore – being fucked by one man then sneaking next door to shag another – but I loved it! My fanny oozed juices all over Craig's cock and balls and I went wild, bouncing up and down on his dick. I yanked down my dress and

cation over Craig's prick and he began bucking his hips off the bed in an attempt to come too. He used my tits to bounce me up and down on his dick and after just a few firm thrusts he was ready to spunk. I hoped he'd fill my fanny with cream, but he had other ideas. He roughly pushed me off him and forced me onto the bed where he finished himself off by wanking into my face. Within seconds Craig was

“My fanny oozed juices all over Craig's cock and balls as I went wild, bouncing up and down on his dick”

away but I couldn't miss the chance of getting it on with Craig.

Standing up, I tried to compose myself and knocked gently on Craig's door before quickly opening it. He flung the magazine across the room and desperately tried to hide his bulging erection. "Oh, erm, hi," he stuttered, his face flushed with embarrassment. I didn't say a word,

at that point he was too horny to care and just wanted to shoot his muck. He was already so turned-on that his prick was leaking pre-come. I bent down to lap it from his sticky eye before straddling his cock.

I hitched up my dress to give Craig a glimpse of my neatly shaven cunt before lowering myself onto his meaty shaft. It slipped eas-

ily into my hole and Craig let out a groan as I sank down the length of his pole. Slowly, I began riding his cock, gently leaning back so his shaft ground against my clit. I felt like such a whore – being fucked by one man then sneaking next door to shag another – but I loved it! My fanny oozed juices all over Craig's cock and balls and I went wild, bouncing up and down on his dick. I yanked down my dress and

pushed Craig's hands onto my heavy, swinging breasts as I used his cock to bring myself off. He squeezed my stiff brown nipples and that added stimulation sent me over the edge. My hips buckled under the excitement and I cried in slutty delight as a massive climax shook through my slim body.

My fanny leaked yet more lubrication over Craig's prick and he began bucking his hips off the bed in an attempt to come too. He used my tits to bounce me up and down on his dick and after just a few firm thrusts he was ready to spunk. I hoped he'd fill my fanny with cream, but he had other ideas. He roughly pushed me off him and forced me onto the bed where he finished himself off by wanking into my face. Within seconds Craig was

“Craig was splashing rivers of salty come across my cheeks and into my mouth”

splashing rivers of salty come across my cheeks and into my mouth. I gulped down as much as I could and when he'd collapsed in exhaustion, I cleaned my face with my fingers, licking them one by one. I left soon after, my fanny squelching all the way – a telltale sign of a successful Friday night!

Sara, Woking

A woman with blonde hair, wearing a black corset and high heels, is performing a backbend on a white tiled floor. She is looking up and smiling, with her hands resting on her thighs. The background is a plain white wall.

“His rock hard cock dug into my arse, turning me on even more. It was time to have some fun”

First Class Ass

Limit is not a word in my vocabulary. I pride myself on having done most things – or having had most things done to me. But amazingly until recently the one thing I had never managed was fucking two men at the same time. Not for want of offers, of course, but I'd never quite fancied anyone enough to take them up on it.

But then a few months ago I got my first taste of spit roast in the unlikelyst of places – a train. It was one of those long, slow Sunday journeys and the train even had separate first class carriages.

Guessing there would be no conductor around I nipped into an empty one, drew down the blinds and settled in for a couple of hours of comfort. So guess how annoyed I was when I heard voices coming down the corridor outside at the next station.

Sure enough, seconds later someone knocked on the door and two

young lads walked in. I nodded politely, then went back to reading my book as they sat down opposite – not without giving them a furtive once-over though. To my surprise they looked pretty fit (one blonde, the other dark) and judging from their backpacks and tans they weren't English either. I also couldn't help noticing that they were both staring at my tits. It was the end of summer, and still hot, and I had on a short skirt (no panties), vest top and denim jacket. Although my breasts are big, they are always pert, and I never wear a bra. I decided to give the boys a little bit more to look at, so murmuring something about it being hot, I slipped off my jacket. Then I hitched up my skirt a little to see if they'd try and catch a glimpse of my snatch.

Sure enough, I caught them following the line of my legs up to the (now slightly hot) crack at the top, visible between my thighs. There was no mistaking their excitement as their pricks started to swell

inside their shorts. Now it was just a matter of who would make the first, definite move. I decided it was a case of nothing ventured, nothing gained. They were foreigners after all – I would never see them again, and I had no doubt I could take them both on at the same time.

This time I pulled my skirt right up, spreading my legs wide in front of them. I knew they would be surprised to see my pussy shaven of all hair. Staring them straight in the face, I licked one finger and then started to rub my clit. At last one of them made a move, kicking off his sandals and stretching his foot across. His big toe probed my juicy cunt, sending a throb of pleasure round my body. Then his friend slipped behind me, lifting me into his lap and wrapping his hands round my tits. His rock hard cock dug into my arse, turning me on even more, and I reckoned it was time to give them some fun.

Now they were on opposite sides of the carriage, it was easy. I unzipped their flies at the same

time, and suddenly found my hands on two huge dicks. Taking turns to wank one of them and suck off the other, I made sure they were soon desperate for fanny. Both of them were on the point of coming once I'd finished licking their balls. And I knew they were enjoying watching me service the other one. But by then I could barely restrain myself from jumping on one of their cocks, and picking the dark haired one, I thrust myself down on his hot prick.

The thought that I was about to get two cocks rammed in both holes was too much for me, and I instantly had my first orgasm. But then I

“I spread my arse wide and he slipped his rigid prick inside”

got another surprise, as I felt a tongue probing my anus, a little taster of the shaft I was about to receive. Then he stood up, spreading my arse wide and smoothly slipping his rigid prick inside. I just wasn't prepared for how good it would feel with two huge dicks filling me right up – and I knew from their groans that my fit fucks had never experienced anything quite so hot either. They made a good team, lifting my body up and down, forcing themselves in and out, slapping my arse and sucking at my enormous boobs. And as I came violently the second time, from my clit and deep within my pussy, their come started to spurt out as well – and they were so excited that their spunk just kept on coming, spilling out of both entrances. And as they shuddered to a final climax, the train started to screech to a halt, our frenzy satisfied in time. I just wonder what the ticket collector made of our huge grins as we got off the train!

Yeah, don't ask us about the name either, but Fee-Bee still has all the right things in all the right places. She says she's great at deep throating and once "swallowed my boyfriend and his mate's come at the same time." A message for our readers? "Make love, not war." OK.

"I swallowed my boyfriend's and his mate's come"

"My favourite fantasy is having 3 men fuck me at the same time"

Sue absolutely fucking loves it. "I pride myself on being good at all forms of sex," she says, "and I enjoy outdoor sex as well, e.g Hyde Park!" So if you're in that neck of the woods keep your eyes peeled. She'd love to hear from **EXPOSE** readers and wants you to "enjoy the pictures and 'aim' a lot!"

We can't detail all of the depravity contained within Louise's letter to us, needless to say we like her a lot. She likes to wield a strap on and fuck her bloke, she likes 69's, doggy style and anal and she says "if you have a sexual fantasy and find me attractive and a turn-on, write to me and tell me all your desires. I'll try anything. I love sex." We imagine you'll be getting some post very soon, Louise.

"I'll try anything once. I love sex"

"I'd like to be a mistress with sex slaves to cater to my every whim"

Penelope reckons she's got a high sex drive and isn't bothered where she gets it. "As long as I'm having sex, who cares?" she asks. She likes pissing on her blokes and in bed likes to wind her bloke up so she gets exactly what she wants from him in return. Her dirtiest fantasy is "to be a mistress with sex slaves to cater to my every whim. I have a high sex drive." If you want to write to this 29-year-old cutie, you know just what to do.

"I want to try all things sexual and expand my experiences"

23-year-old Lou Lou wants to "try all things and expand my experiences," which is probably why she likes "pillow biting" and having sex in churches. Erm, OK. Anyway, she's 34-24-34 and you might want to help her with that whole expansion thing.

GLOBE THEATRE

It's very rare that a porcelain-skinned ginge makes it onto the pages of Globe Theatre, but Nicole Kidman was well overdue an appraisal. Basically, she's gorgeous, and sometimes too gorgeous – glacial rather than horny, an ice queen rather than an animal. Even when she whipped the lot off in 'Eyes wide shut' she felt distant. However, both in 'To die for' and the otherwise dismal 'Moulin Rouge', she's as frisky as hell – captivating, threatening, enthralling. And, as she also proved in 'Billy Bathgate', she's got a great Antipodean arse. We'd like to remake one of her films as 'Eyes glued shut', but not with real glue, obviously.
